4WD Coach

Travel by purpose built, air-conditioned, four wheel drive coach with forward-facing reclining coach style seats, footrests and on-board toilet. Each coach has panoramic view windows and is equipped with a road cam, TV and an onboard toilet. The coach is specially designed for the outback and built for comfort of our passengers. Thy are also equipped with portable satellite phone for your safety and peace of mind, as well as P.A. System, first aid kits and off road equipment. The Spirit of Queensland

The Spirit of Queensland is a Queensland Rail long distance passenger rail service. It is operated by a diesel powered Tilt Train that runs five times a week on the North Coast line between Brisbane and Cairns, a distance of 1,681 kilometres. At the start of 2015, it replaced the diesel-hauled train The Sunlander. Combining modern seating and entertainment options with the charm of long distance rail travel, it offers a contemporary, comfortable experience. Travelling between Brisbane and Cairns five times a week, the Spirit of Queensland redefines the modern rail travel experience.

Feature Stays

Hosted Journeys is proud to present these feature stays for you to enjoy on your Cape York 4WD Experience. These properties have been hand picked to suit this itinerary and are sure to enhance your experience as you travel through this picturesque region of Australia.

Thursday Island

Thursday Island, colloquially known as TI, is an island of the Torres Strait Islands, an archipelago of at least 274 small islands in the Torres Strait. TI is located approximately 39 kilometers north of Cape York Peninsula. The island has been populated for thousands of years by the Torres Strait Islanders. Archeological evidence on Badu, further north in Torres Strait, suggests that the area has been inhabited from before the end of the last Ice Age.

Our stay on Thursday Island will be sure to enhance our experience of this region of Australia as we learn about the history and culture of this picturesque island.

Bramwell Station

Bramwell Station is the most northerly cattle station in Australia. Located two hours north of Weipa or Archer River and four hours south of the tip, the station is probably more famous now for its location – the start of the famous four wheel driving challenge, the Old Telegraph Line track, fondly known as the OTL.

Bramwell was first taken up in the early 1930s as a pastoral lease, owned by Frank Monighan. In 2002 it was taken up and operated by the family partnership of Vince Bowyer and Wendy Kozicka. Our stay here in the ensuite cabins will give us an insight into life on a working cattle station.
